

HOME GROUP NOTES

Week of October 15

This is the final session in our Rooted and Reaching series. You can view all of this series' messages at our website, www.trinityonline.org. This week's focus: Partnership

Share It

We practice forms of trust every day (for example when we drive). Partnership is more intentional and strategic. What are some intentional partnerships that you have experienced?

Study the Bible

Jesus taught us to trust and partner together in our great mission. Notice some of the aspects of partnering in the good news that Jesus and His followers modeled for us

John 6:37-38; 8:42

Luke 10:1-2

Acts 4:32

Acts 6:2-5

Acts 15:1-2, 6-11

Philippians 1:27

Philippians 4:1-3

1 Timothy 2:1-4

1 Peter 5:1-3

Discuss Together

This week, we said that "Trinity is committed to the partnership of helping you live a rooted and reaching life." Let's consider some aspects of our mission together.

Reread Acts 15:19. What are some things that make it difficult for people who are turning to God? (These things could be past or present.)

What might be some aspects of Trinity that might be hindrances for 'not yet followers' to connect with the Trinity family or the good news?

What can we do to be a safe place for people to consider following Jesus (for example those with questions)?

What can we do to help people take 'next steps' toward following Jesus or grow in faith?

Some believers have held that it's important to "belong before you believe." Is this a healthy thing? Should we also practice this?

Pray

- Pray for the people in your world and how we can partner together
- Pray for our upcoming Missions Focus Weekend
- Pray and invite friends to come to our Loft House build on Saturday
- Pray for Trinity to be in healthy partnership for the gospel.

Apply It This Week

Please pray through your week and ask God to help US partner with Him to reach your world for Christ. Ask Him to point out people in your world and how WE can reach them together.
