When you think about serving Jesus in a faraway place, what comes to mind?

Study the Bible

We have been focusing on being "Rooted in Jesus and Reaching our Worlds." This week, we will focus on the question "Will I go?" Read the following passages and answer these questions: What is Jesus calling His followers to be or do? What will this require of us?

Matthew 28:19-20

Luke 9:23-24

Luke 14:37-33

John 14:12; 15:8, 16

Acts 1:8

Philippians 3:7-11

Discuss Together

What does it mean to "take up your cross and follow me?" (Luke 9:23; 14:27)

If Jesus' call to "go into all the world" is for all His followers, what does that mean for us?

What, in our culture, works against us being willing to "go" to other places?

What are some possible applications to "Will I go?" What might this mean?

How can all followers of Jesus be a part of the church going to faraway places?
