This week's topic is "worry," a very real issue. What kinds of things bring on worry or anxiety?

Study the Bible

What does the Bible say about "worry?"

Matthew 6: 25-34

Philippians 4:6-7

1 Peter 5:6-7

Romans 8:38-39

Proverbs 3:5-8

Jeremiah 17:7-8

Discuss Together

What is the root cause of worry and anxiety? What is the net effect of worry?

Someone has said that “Worry is the opposite of trusting God.” True? False?

Why is trusting God so important to God?

What helps you live by faith instead of worry? How can we help each other?

Pray
