Was there a time when you felt out-of-place? Are there ways that you think our culture is “inverted?”

Study the Bible

We are walking through chapters 1-6 of “Daniel.” He and other Jewish people were taken captive by the Babylonian empire in 605 B.C.. These chapters cover 68 years and reveal that God is sovereign, even when the culture is inverted. Read through chapter one and consider these questions.

What are some things you notice about Daniel’s upbringing and character?

What do we learn about the Babylonian king and culture? (“King” occurs 128 times in six chapters.)

What was Daniel’s concern about the foods and wine? (See Leviticus 11:4,7; 17:14. Note that the king’s food and wine were offered to idols.)

How did Daniel and friends respond to their culture, leaders, and God? How was God working even in this situation?

Discuss Together

Our focus is on how we live “right-side up in an upside down world?” Do you think American culture is, in some ways, upside down?

Contrast Daniel and friends with their new culture. How might this compare to our situation?

God prophesied and allowed their captivity into that culture. What can we learn about living a “resolved” (1:8) life in our culture while being an influence for God? What is healthy and unhealthy?

What does it look like to apply the four “Keep Central” statements from Sunday?

Pray

Throughout “Daniel,” trusting God is always connected with prayer. To help us pray, we will text out prayer notes throughout the weeks. You can opt in by texting @tcprayer to 81010.

- Pray for the people in your world who don’t yet know Christ
- Pray for the International Friendship Connection team as they build relationships
- Pray for our young adults (high school, college, etc.) engaged in their worlds

Apply It This Week

Reread the four things we need to “Keep Central” from the Sunday message. Ask a friend to pray for you to be like Daniel this week.
