GOOD DESIRES

It is common that we have good desires for the people that we love. Who and what comes to mind as you think about the people in your life? (e.g. a child, a grandchild)

GOD'S DESIRES

We are continuing in Jesus' final prayer before He goes to the cross. In the first portion of chapter 17, Jesus spoke with the Father about His mission to reveal the Father to His disciples. Read John 17:20-26 as Jesus continues to pray. Consider these questions:

For whom is Jesus praying?

What does Jesus' ask the Father to do?

How would you describe what it means to be "one" in this chapter?

Who is the audience of the 'oneness' of believers? What are the signs of their oneness?

If "glory" is defined as 'the manifestation or revelation of our glorious God,' how is it that we have received glory? (22) How do we glorify God in this life? (23) When will Jesus' glory be fully realized? (24)

How is it that all that we are, have, and will be is tied to God's love? How is His love described in this passage?

What does Jesus pray will happen to the world through us? How will it occur?

APPLYING THIS TO OUR LIVES

It is so important that we understand and live in the truth of God's amazing love for us. It is also important that we understand our mission is to make God known. Who can you have a conversation with about God's love this week?

DISCUSS TOGETHER

How is the oneness of the Father and the Son also our oneness? How is this oneness expressed through us?

What is Jesus' ultimate desire for those who believe? (v. 24, see also John 17:3; Revelation 21:3.) What does that tell us about God's character and His master plan for people?

If you are helping a new believer understand his/her purpose in this life, what could you share from this passage?
