Where are you in your spiritual journey and how you view Jesus? What led you to this place?

When do you remember being challenged about your belief in Jesus?

Study the Word (the Bible)

What do we learn about Jesus as the Light from John 1:4, 9; 8:12; 9:39; 12:46?

Read John 8:12-20 and consider these questions:

- What are the effects of the light?
- What are the Pharisees challenging?
- What key point is Jesus reemphasizing? (See 8:16, cf. 5:23-24; 6:29; 7:28-29)

Who were the parties involved with Jesus healing in John 9 and how did they respond?

How is this story an example of Jesus as the Light of the World?

How would you summarize Jesus' message in these two chapters? (See 8:12 and 9:35-38)

Discuss Together

What were the questions/reactions of the neighbors? Parents? Pharisees? Healed man? Jesus? (Ch.9)

How might this inform us about interactions with people in our world? What should we do? How should we respond?

Pray

- For the 96 people going to Mexico to share Jesus through words and actions
- For Micah House doing "Spring break" outreach
- For the "Link" (4th & 5th grade) students and teachers
