Week of March 5

I Am the Bread of Life

The "I AM . . ." series focuses on Jesus in His own words. You can hear the message from Sunday at our website under Sermons and Media on our website, www.trinityonline.org. If you would like to be in a Home Group, call Julie Humphrey at (909) 335-7333, x110.

Share It

Have you ever achieved something or made a purchase that you thought would bring fulfillment and then didn't? Do you think people in our culture find true satisfaction?

Study the Word (the Bible)

Read John 6:14-69 and consider these questions:

1. Which 'wants' were people seeking to have satisfied? Why would Jesus' ability to fulfill these wants erupt into a desire to make Him their king? (v. 15)
2. How is the concept of "seeking" or "working" for something used in this passage?
3. Seven times, Jesus said that He came down from the Father. How is this connected to His being the bread of life?

4. What "hard things" (v. 60) did Jesus teach here that are difficult to believe/follow?
5. What does Jesus say is our real need?

Discuss Together

What are some things that we 'want' that might not be what we 'need?' What are some of the things that we pursue that don't truly satisfy?

What does what we are seeking or pursuing reveal about us?

How is Jesus the great provider of our true need? What should this change in our lives?

How would people in our relational world see that we have received the Bread of Life?

Pray

- Pray for people in your world who don't yet know that Jesus is the Bread of Life
- Pray for people preparing to go to Mexico to share Jesus through words and actions.
