Week of March 19

I Am the Gate

The "I AM . . ." series focuses on Jesus in His own words. You can hear the message from Sunday at our website under Sermons and Media on our website, www.trinityonline.org. If you would like to be in a Home Group, call Julie Humphrey at (909) 335-7333, x110.

Share It

Last week we encouraged you to watch and listen to people in your world and how they view Jesus. What are you seeing and hearing? How does this match with His "I AM" statements?

Study the Bible (John 9:40-10:11)

Who is Jesus addressing? What occurred with them in 7:28-32; 8:12-13; 9:16?

What were the roles of the gate / gatekeeper? What were the concerns for the sheep?

What concerns does Jesus have about these religious leaders?

According to 10:10, why did Jesus come (from the Father)?

How does this connect with Jesus' other statements of why He came? (see Matthew 5:17; Luke 5:32; 19:10; John 12:46)

Discuss Together

What needs did Jesus address here that are common to all people?

What is Jesus' role in meeting those needs?

What is the "superabundant life" that Jesus offers? How is that possible through Jesus? How can we live in it?

Do you think that people in your world understand why He came and what He offers?

Pray

- About how you can connect with the people in your world without Jesus.
- For your missionary friends and their roles in their worlds
- For your opportunities to invite people to Easter services
