Road Trip: Identify the destination

The "Road Trip" series focuses on "family" connections that we all have. You can hear the message from Sunday at our website under Sermons and Media on our website, www.trinityonline.org. If you would like to be in a Home Group, sign-up online or call Julie Humphrey at (909) 335-7333, x110.

What is your favorite road trip? Where did you go? What did you see? What did you experience?

Why is the topic of "family" important to everyone, regardless of age, marital status, etc.?

Study the Bible

Destination is job one. No one in history ever spoke about destination with more clarity and hope than Jesus. We will look at two of His essential statements.

Read **Matthew 22:36-40** (Known as the Great Commandment)

The word "love" is overused in our culture. What did Jesus say that we should love?

What is your impression of what Jesus meant by the word "love?"

Why the dual emphasis (God and others)? How are the two connected?

Read **Matthew 28:18-20** (Known as the Great Commission)

What, specifically, did Jesus commission us to do? Where? What?

What promise is connected with this commissioning?

Discuss Together

Why is the topic of "destination in life" seldom discussed? What makes it difficult? Do you do this?

Why talk about these two passages in regard to destination? How are these helpful to family?

On Sunday, we heard that our "affections" and "mission" become anchors in life. How so?

Do you think that "making disciples" is for a select group of 'called' or 'gifted' people? (Matthew 28)
