What did your family of origin value as a priority? How has this affected your life?

Study the Bible

Read the following verses and consider how this should affect our priorities.

Matthew 22:36-40

Philippians 3:7-11

1 John 4:7-12

2 Corinthians 5:17-21; Acts 20:24

1 Peter 4:7-10

Matthew 20:24-28

Discuss Together

How do the people in our lives, including family, know our priorities?

What would your personal actions say that you strategically value? Is there something that you would like to add or subtract from your present priorities?

What do you hope that your children, grandchildren, or friends will prioritize? How can we shape their lives?

How do we guard our hearts to have the right priorities?
(Proverbs 4:23)

Pray

- For the missionaries you have adopted
- For your children, grandchildren, and friends regarding priorities
- For people in your world to see the priority of Christ in your lives

Apply It This Week

Discuss with your family one thing that you need to strategically value more consistently.
