What painful thing has happened in your life that now feels purposeful?

Study the Bible

The following questions span Genesis 42-50. Notice the theme of God sovereignly working.

How did God use this time interval (13 years) in Joseph's brothers? (42:21-24)

What were some of the things Joseph might have felt in his encounter with brothers? (42:7-24; 45:4-15)

In what ways was God sovereignly working throughout their lives? (42:18, 28; 43:1-30; 45:1-10; 45:16-18; 46:1-4; 50:19-24)

How did Joseph's and his family's perspective change throughout this story?

How did God use all this in His plan for Israel (the Jews)? (45:5-8)

Discuss Together

What are some ways that God teaches us His perspective on life? How does this help us process evils done toward us?

How and why does knowing and understanding the character of God enable us to trust Him in all things?

What are ways that God redeems our painful experiences? How can we even be thankful?

How can God use painful experiences to be an influence for Jesus in our world?

Pray

- Praise God for His sovereign leadership and His good purposes
- Pray for the middle and high school students, many of whom faces challenges and pains
- Remember the many believers in the world encountering hardships
- Lift up friends going through trials of many kinds
- Pray for people in your world that you can encourage and serve
