See God Work

Though you may be surrounded by fearful circumstances, “fear not” and look for God’s deliverance

1. Though God’s proven faithfulness should provide you confidence, you still need fresh _____ for what you’re encountering today

Exodus 14:10-14

As “God-sized” as this colossal miracle was, two things that they, like us, would forget again and again:

- God is _____ than any problem that you’re facing
- and you can have confidence in Him because of who He is and that confidence _____ the more that you trust Him with what you’re facing

2. Fear is based on the circumstances that you ____; faith is based on the God that you _____

Genesis 15:1-6

You responding in faith to the invitation extended in the Gospel is the same kind of _____ that Abram had

Genesis 15:7-8, 12-16

3. The _____ that God uses to fulfill His plans for you is seldom obvious

Genesis 46:1-4

Hebrews 12:1-3

You come from good stock; look back on your brothers and sisters and to your Big Brother for how to live _____ because of who your God is

Now What? Though you may be surrounded by fearful circumstances, “fear not” and look for God’s deliverance
