To Divide Over

Issues that have varying degrees of Biblical clarity or, based on Scripture, are essential to our faith compared to those that we can have healthy disagreement about – issues that fall into categories like these:

To Die For

To _____ Over

To Debate About

To Decide On

Because being willing to divide from other brothers and sisters is so significant, consider what God's Word speaks to with that level of clarity before you break fellowship

1. Don't add any additional requirements to salvation other than by _____ through _____

Acts 15:1-12

2. Because salvation isn't something we designed, we shouldn't make it more _____ than God does

Acts 15:13-21

The Greek word that James uses for "people" – the word "laos" – "a people, tribe, nation, was commonly used of the Jews, but never the _____

3. Joy follows when we " _____ on the _____ "

Acts 15:22-33

The Spirit's presence is _____ when church members are responding to one another in love and kindness and respect of each other's concerns and thoughts

Acts 15:36-39

Now What? Because being willing to divide from other brothers and sisters is so significant, consider what God's Word speaks to with that level of clarity before you break fellowship
