Jesus' small group showed us how to live in missional community

1. Jesus' small group brought Him glory

John 17:6-10

When you do life in community with other Jesus followers corporately following His Words and ways, you put the holiness of God on display for others to see

2. Jesus' small group had a supernatural unity

John 17:11-12

3. Jesus' small group was rooted & reaching

John 17:13-19

Jesus' small group was "set apart for a sacred purpose" – for the purpose of being sent out into the world, their worlds, with His great news of rescue and redemption

Now What?

Jesus' small group showed us how to live in missional community
