“You are designed with a role in mind”

Understand your DESIGN and engage a role consistent with your giftedness

Psalm 139:13-16

Desired – God-given passions that further God’s people and Kingdom

Romans 15:20

Experiences – life shaping encounters

Acts 22:6-10

Nearly every single time the most defining moments are the hardest ones

Skills – natural and acquired abilities

Acts 18:1-3

Don’t for a minute think that your workplace skill or other skills don’t have an application at a church like Trinity – they’re all a part of who you are and how God has DESIGNed you

Identity – key components of your personality

Galatians 1:13-14

There are no “good” or “bad” personalities but different ways that we’ve been designed that make us a great team when we work together

Gifts – Spirit-given enablement to serve others and build up the Body

Ephesians 3:2-3

Nature – how you approach relationships and teamwork

Acts 15:36-40

Now What?

Understand your DESIGN and engage a role consistent with your giftedness
