MISSION TRIP

-SERVANT GUIDE-

MEXICO MINISTRY BIENVENIDOS AMIGO!

WHO WE ARE

Thank you for your interest in the mission outreach to Mexico. We have a team of committed leaders who are constantly working to make this a better, safer and more rewarding experience for volunteers while at the same time providing for the real needs of the people in Mexico. As you use this guide to help familiarize yourself with this extended weekend mission trip. Remember to pray for Mexico and the loft house ministry. Consider how the Lord is leading you to become involved in His Kingdom's work here on earth. Our hope is that these trips will help you learn to maintain a flexible/ servant attitude, and that you will surrender yourself to God's will and learn to become an effective partner in ministry.

WHY DO WE GO TO MEXICO?

Simply, to glorify God by tangibly demonstrating the love of Christ through building loft-houses, playing with children, and by showing love to the people we meet. Jesus said: "...whatever you did for one of the least of these brothers of mine, you did for me!" Matthew 25:40

WHO DO WE PARTNER WITH?

Trinity Church works in partnership with Hands of Mercy, a non-profit organization which seeks to help people and reach the lost with the message of Jesus Christ in Mexico. We accomplish this goal by providing safe housing for families who live in make-shift shelters. The two-story pre-fabricated loft houses which dot the landscape around Enseñada, Mexico exhibit a visible testimony of Christ's love and provision.

WEEKEND-AT-A-GLANCE

As with any international trip, flexibility is the key to a successful mission. This is what the average weekend mission trip to Mexico looks like. Our team will meet at Trinity Church at 9 AM on Thursday and will caravan across the border. You will be staying for three nights at Rancho Casitas.

There will be a brief orientation meeting after breakfast on Friday morning, and then the team will travel to the work site to have a devotional with the recipient family before beginning the day's activities. A sack lunch will be provided by Hands of Mercy. We will be spending two days building the loft houses. By mid-late afternoon, the second day, the work will be finished and the team will dedicate the house to the family. The team will present keys, and a Spanish Bible. Each evening after dinner, we will have a time of worship and teaching by Trinity Missionaries. We will be challenged to think about and discover how we might participate with what God is doing around the world.

After breakfast on Sunday morning, we will attend Calvary Chapel in Enseñada, for a bilingual worship service, then head for the border. Travel time home will vary considerably due to traffic, time of day, and various other delays at the border while waiting in line for U.S. border security. The team should arrive back to Trinity Church mid to late Sunday evening.

SPECIAL CONSIDERATIONS

- Please conserve water as much as possible by taking short showers and don't let the water spigots run.
- Avoid drinking tap water (brush your teeth with bottled water).
- Given the nature of working in rural parts of Mexico and certain site conditions, it is sometimes difficult to stick to a strict schedule, including meal times, so pack some snacks.
- Parents – your first priority at all times is the health, safety and welfare of your children!
- Please do not touch, play with, or feed the dogs. Some carry diseases that could affect you or your pets at home.
- Please do not give money to anyone who is begging. We are working to meet people's needs in a sustainable manner.
- Separate trash into different containers: organic scraped into slop buckets, metal and glass to be recycled, plastic and paper to be burned.
- Do not flush toilet paper (a trash can will be provided)
- Be flexible and maintain a servant's heart.
- Strive to represent Christ well, encourage others, look for OTS (Opportunities To Serve).
- Weapons are strictly prohibited in Mexico (construction knives are okay)

Note on appropriate dress: *We want to be sensitive to the different cultural practices in Mexico. Dressing modestly is essential for men and women. Avoid sleeveless shirts, exposed midriff, short shorts, tank tops, exposed tattoos and pierced body parts (except ears for women). Women are encouraged to bring one long skirt or dress for ministry activities such as passing out gifts, speaking, attending church, or working with kids. Long pants and modest shorts (knee length) are appropriate for painting and construction activities.*

FOOD

All meals are included in the trip cost. Many people look forward to consuming some of the local fare from various taco stands. On the way down, after a hard day of work or maybe even on the way home, the team will stop and enjoy a taste of Mexico. At Rancho Casitas the food is very good and served in a “summer camp” style mess hall in an enclosed facility.

LODGING

You will be staying in very modest accommodations (loft-house and dorm style facilities) with no heat or electricity. It has a raised bunk bed with a mattress pad, but you will need to bring a sleeping bag or blanket with a pillow. The showers are nice and hot, although we ask that you conserve water. The restrooms are outhouses. Refer to the section on “What to bring”. You should plan as though you were going camping. Remember to dress for the weather forecast in Ensenada, Mexico.

TRANSPORTATION

Teams will ride in heavy-duty passenger vans which have space for luggage and supplies and provide a safe, comfortable environment for volunteers to interact and get to know each other before they start working. We will make at least one stop in the USA before crossing the border. The team will caravan across the border in multiple vans during daylight hours for security reasons and stop only at designated stops for fuel and food. We do not recommend that you leave your car parked at Trinity Church but have someone drop you off and pick you up.

COST

ADULTS

\$150.00 per person.

CHILD 3-8 YEARS OLD

\$130.00 per person.

INFANT 0-2 YEARS OLD

\$100.00 per person.

This includes food, lodging and transportation. This is non-refundable and tax-deductible.

Please note:

We encourage families to think creatively about funding their family mission trip through a garage sale, support letters or other fund raising ideas.

OUR PHILOSOPHY

Due to the language and cultural barriers, we partner with local churches who share the verbal witness of Christ's love and purpose for people. While our loft-house ministry meets the physical needs of people in under-resourced areas of Mexico, the local pastors are meeting their spiritual needs.

THE APOSTLE PAUL COMMENTED:

*"I planted the seed, Apollos watered it, but God made it grow...
The man who plants and the man who waters have one purpose,
and each will be rewarded according to his own labor.
For we are God's fellow workers..."*

I Corinthians 3:6-9
