WHEELS FOR THE WORLD | July 17-26, 2020
Medical/Disability Outreach | **Estimated Costs: \$3100**

Throughout the year Trinity members work with Joni & Friends wheelchair ministry, Wheels for the World, to restore and provide wheelchairs to those in need with a goal of providing another 50,000 wheelchairs by the year 2020. Brazil served as the host to the 2016 Olympic and Paralympic Games where athletes from around the world broke barriers of what was thought to be physically possible in sport. While perceptions of people with disabilities are improving, Brazil still has few resources available to meet their practical needs. Nearly 30 million people in the country have a physical disability and many lack affordable mobility equipment. Serving as a seating specialist (physical and operational therapists), mechanic, photographer, or support member, team members will provide wheelchairs and the Gospel message to people in need.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, **BUT TO SAVE THE WORLD** through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because they have not believed in the name of God’s one and only Son. This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God. **John 3:16-21**

This year’s **Global Worker’s Outreach Celebration** is a call to remind the world that **God did not send his Son into the world to condemn the world, but to save the world through him.** Our commission and calling takes us across the globe to share this good news with our brothers and sisters worldwide. We are excited to partner together to discover how to use our gifts for God’s glory both here at home and across the globe.
